The indicated percentage represents the appreciation of the basket of securities in relation to its initial level. The appreciation takes into account the annual limits stipulated in the deposit agreement. The displayed return (not expressed as an annual compound return) shows the trend for the issue date indicated. Maximum appreciation at maturity: this product has a ceiling that determines the maximum amount you may receive at maturity.

† On January 2, 2018, Agrium Inc. (AGU CT) and Potash Corporation of Saskatchewan (POT CT) merged to form the new company Nutrien Ltd (NTR CT). This event requires an adjustment of the performance monitoring for both the 3 year and 5-Year Safe Bet, No Sweat term deposit products issued between August 19, 2016 and February 21, 2017 inclusive. The two former companies, AGU and POT, were replaced by the new company NTR at the opening of markets on January 2, 2018. The respective performances of AGU and POT will apply to the new company, with adjustment factors for the calculation of the performance as follows:

- For AGU CT, the adjustment factor by which the starting price must be multiplied is 0.44843 (1 / 2.23)
- For POT CT, the adjustment factor by which the starting price must be multiplied is 2.5 (1 / 0.4)

** On September 28, 2020, Siemens AG (SIE) was split into two separate entities, Siemens AG (SIE), and Siemens Energy AG (ENR). This event requires an adjustment of the performance monitoring for both the 3 and 5-Year Safe Bet, No Sweat term deposit products issued between September 24, 2018, and September 14, 2019, inclusive. The SIE component of this basket will be replaced with the following combination:

- One (1) share of SIE, and
- ½ (half) of a share of ENR

Nippon Telegraph & Telephone replaces NTT Docomo in all 3/5yr MLTDs sold between Sept 24, 2018 - May 25, 2020:

Due to an imminent acquisition of NTT by NIP, the NTT stock was replaced by NIP. This replacement ensures the nature of the basket of securities remains as unchanged as possible. The value of NTT's performance from inception to November 2020 will be applied to NIP. The historic price series of NIP is equal to 0.6338846 of NTT; in other words, approximately 64 shares of NTT was approximately equal to 100 shares in NIP as of November 20, 2020.
